Directors' report (incorporating the Trustees' annual report) for the year ended 31 December 2018

Summary of the main activities undertaken for public benefit Our aims and objectives - Meeting the Public Benefit Requirement

Our aims and objective set our in our constitution are:-

- (a) To promote and advance the availability of education and in the interests of social welfare to provide facilities for recreation and leisure time occupation in order to improve the quality of life and for the benefit of the inhabitants of the Walkley area as delineated on the plan annexed hereto (hereinafter referred to as "the Area of Benefit") without distinction of sex or of political, religious or other opinions by associating with the local authorities, voluntary organisations and inhabitants in a common effort.
- (b) To establish or secure the establishment of a Community Centre and to maintain and manage or to co-operate with any local statutory or other authority in the maintenance and management of such a Centre for the activities promoted by the Association and its Constituent Bodies in furtherance of the above objects or any of them.

Ensuring our Work delivers our aims

We have referred to the guidance contained in the Charity Commission's genera guidance on public benefit when reviewing our aim and objectives and in planning our future activities. In particular, the trustees consider how planned developments will contribute to the aims and objectives they have set. We review our activities on a regular basis and consider whether the groups utilising the centre provide opportunities for all sections of the Walkley Community.

Focus of our work

Our focus has been two fold:

- a) To ensure the building meets the needs of the community it serves with due consideration of national legislation. We have achieved this by establishing a continual programme of maintenance, renovation and improvement in the building enabling more users to access the centre and have the equipment necessary to support their means.
- b) To increase both the knowledge of and the use of the building by all sections of the community we serve. We have achieved this by increasing the publicity and web presence of the centre. We have continually reviewed the groups and individuals using the centre as a resource to local groups which are under-represented at present.

How our activities deliver public benefit

Our main activity is the provision of space for recreational, educational and leisure activities which improve the quality of life for the benefit of local residents. We do this by attracting a mixture of not for profit groups and commercial organisations to hire the centre on a regular basis, increasing opportunities in Walkley to socialise, learn new skills and improve local residents health by participating in physical and mental activities.

The charities Policy on Reserves

The Trustees and directors of the above mentioned charity and company stated and agreed the following on the 15th December 2011.

In order to protect the Community Centre from unforeseen events and problem, we consider it necessary to hold a sumo money in reserve. This is required to allow us to manage problems and make repairs in a timely fashion. The reserves are also required to cover any income on which we would normally rely which we do not receive because of the aforementioned problems. We currently consider a minimum sum of £5,000 to be adequate to cover these eventualities. Currently the value of free reserves stands at £13 666

This decision is made in consideration of the nature of the building and the nature of the insurance, which we hold (fully comprehensive)

Please refer to expenditure policy for details on the authorisation required to make any such repairs and payments.

In preparing those financial statements, the trustees are required to: select suitable accounting policies and then apply them on a consistent basis, making judgements and estimates that are prudent and reasonable. The trustees must also prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The directors are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud or other irregularities.

Respective responsibilites of the Trustees and the examiner

The Trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts.

The Trustees consider that an audit is not required for this year (under section 144 (2) of the Charities Act 2011 (the 2011 Act) and that an independent examnination is needed.

Having satisfied myself that the charity is not subject fo audit under company law and is eligible for independent examination, it is my responsibilty to:

Basis of independent examiner's report

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

no matter has come to my attention in connection with my examination which gives me reasonable cause to believe that in any material respect the requirements
